The owner, MERIAL, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on pending second Application Number 09/194,020, filed on June 23, 1999, the term being defined in 35 USC §154 to 156 and 173; as shortened by any terminal disclaimer filed prior to the grant of any patent on the pending second application.
